

Music Australia Advertising Kit

About Music Australia

Music Australia is the only body in Australia devoted to music in its entirety. Music Australia provides businesses and organisations with a number of highly targeted advertising and promotion options.

Our Audience

Our readership consists largely of music professionals including key music decision makers, opinion leaders and educators in industry, government, tertiary institutions, schools, teachers and community organisations. Our website, newsletter and social media networks act as a rich information resource for the musically-minded.

Our Reach

In 2016 over 600,000 people accessed Music Australia services. Our members benefit from Music Australia's substantial reach which includes:

- 600,000 Participating school students
- 155,000 Unique website visits
- 14,800 Enews subscribers
- 12,500 Social media followers
- 8000 Music education professionals and teachers
- 3,500 Schools
- 1,000 Music professionals database

Our current advertising rates and specifications are detailed below. If you would like to discuss your advertising options in more detail please contact:

ADVERTISE WITH US

We offer a number of different forms of digital advertising across *Music Australia* and *Music: Count Us In* websites and our fortnightly Enews. The Music Australia website is a rich information resource for the musically-minded. It provides comprehensive resources for the professional industry, music educators and community groups with advocacy information, resources, directories, case studies, newsfeed, articles and reviews. There are a range of advertising sizes to choose from that can link to your website, landing pages, enquiry form or to an online registration system for your next event.

The prices below are inclusive of GST. Music Australia members receive a 25% discount on all advertising rates.*
