

Zig Zag kids tickled pink to sing together

SCHOOLS

AS HAS been the case for many schools in the region, Zig Zag Public School have been kept busy with a variety of activities taking place both at the school and off site.

This has been an exciting time for both students and teachers alike, and the activity shows no sign of slowing down as we move into the final part of the school year.

PINK DAY

Zig Zag Public School recently turned 'PINK' in raising funds for Breast Cancer research.

Students were encouraged to come dressed in pink and bring in a gold coin donation. The result was a sea of colour on an otherwise cloudy day.

The staff and students had a great day raising a great deal of funds for this very worthy cause and would like the community to follow their lead and support the

Breast Cancer Foundation wherever possible.

COUNT US IN

Students from Zig Zag

Public School joined with over 500,000 students from around Australia at 12.30 on Thursday November 3, to sing this year's Music Count Us In song "Let It Play".

Music Count Us In is a very special event to Zig Zag and the school have been taking part for a few years now.

Zig Zag like to find interesting locations to sing, having previously sung at the Blast Furnace as just one example, and this year they chose the lovely surrounds Farmers Creek.

The students had a lovely time paddling around in the water and sang beautifully when it was time to do so, much to the delight of the parents and friends who also came along to watch.
