AUSTRALIA'S BIGGEST MUSIC EDUCATION CELEBRATION. REGISTER YOUR SCHOOL NOW!

Music: Count Us In (MCUI) is Australia's largest music program, supporting teachers from more than 3000 schools to deliver inventive, creative and enjoyable music lessons in the classroom.

Each year, MCUI brings more than half a million people together in song, with a Celebration Day that reaches into every corner of the country. From Bendigo to Bourke, Dubbo to Darwin, Halls Creek to Hobart, Port Augusta to Port Douglas, young people sing the song that stops the nation.

The song is written by student songwriters from across Australia, collaborating with MCUI's celebrity mentors. The song is then distributed to participating schools with weekly, classroom-ready education plans and resources to help teach the song to your students.

AS PART OF THE PROGRAM SCHOOLS WILL:

1. Receive weekly, step-by-step, classroom ready education resources to teach the song to your students.
2. Have the opportunity to showcase your school to Australia by hosting your own MCUI event.
3. Participate in face-to-face or live streamed professional development workshops to further develop your skills teaching music.
4. Be part of Australia's biggest music education program and celebrate in song with the MCUI community on Celebration Day!

MCUI welcomes all schools to take part including primary and secondary, state, religious and independent, metropolitan, regional and remote.
