

MUSIC: COUNT US IN 2021

National Songwriting Competition – Brief

Help us write the song that stops the nation!!

[Music: Count Us In](#) (MCUI) is Australia's biggest school initiative; celebrating music and music education across the country. 2021, will be MCUI's 15th year. The program comes together on our national Celebration Day when hundreds of thousands of students from all over Australia come together online to sing the same song, on the same day, at the same time.

Winners of the MCUI National Songwriting Competition will help us write the 2021 MCUI Program Song. A small group of finalists will be selected to take part in our 2021 Songwriting Workshop and write the song in collaboration with each other, Program Ambassador John Foreman OAM and our 2021 Program Mentor (tbc). Previous Mentors have included Lior, Marcia Hines, Jay Laga'aia, Katie Noonan, Justine Clarke and many more.

About the MCUI Program Song

The program song will be learned and performed by students of all ages and abilities. We are looking for song entries written by students that are catchy, optimistic and upbeat. Your song should be positive and not too tricky. It can be in any style or genre but remember to consider what will be popular amongst young people all over the country. Send us a submission that demonstrates your ability to write for young people.

Lyrics

What would you like to hear more than half a million young people sing about?
